"BURLEY" FOOTBALLS have been made in W.A. for 50 years

BURLEY FOOTBALLS were used in the Interstate matches, Victoria v. W.A. and South Australia v. W.A. Also used in the Essendon v. W.A. matches. This proves BURLEY superiority.

GREAT GAME SPOILT

Last week Hellenic and Metropolitans met in what could have been, and in many respects was, the finest game this season.

There were some unfortunate episodes, as when a child was permitted to sound the bell during the third quarter, at a time when Hellenic's were attacking. Play was suspended, and the interruption must have had an adverse effect on Hellenic's game. So it was doubly unfortunate when a misunderstanding over the time-keeping terminated the game a minute or so early—Metropolitans were in attack.

But taken by and large it was a good game and one worth watching. Both Captains and both teams are to be congratulated on the exhibition of fast and hard football. Certainly the spectators, of whom there appeared to be some 1,500, got their money's worth.

And, in many cases, more. And that's the point. In an open ground like Haig Park only a percentage of the spectators pay. It's left to the club supporters to dig as deep as

they can while "outsiders" who are seeking an afternoon's entertainment, pay if they feel like it.

On a closed ground they'd morally have to pay—and they would, to see a match like that. If that match had been played at Bayswater, which is a closed ground, the crowd that attended would have subscribed well over £100. Possibly more.

Then the league would have benefited, because on closed grounds the takings are split equally between the two clubs and the league, and on that division the clubs would still have collected more than they did.

These teams will clash again, on August 11. The game is scheduled for Mosmans, which has been classed as an open ground, and the crowd will probably be around 2,000.

It would be a shrewd move for the venue of that meeting to be changed to Bayswater. Or is the League so financial that it can afford to disregard a gift of something like £50.

News From The Clubs

North Perth

Players and spectators at last Sunday's game will be pleased to hear Denis Eastcott was returned safely after 24 hours detention in hospital. Our sincere thanks to Scarborough for their assistance after the accident occurred, in particularly to Col Lindsay for his prompt action.

Baden Pascoe, 19th man for the day played well after the first quarter as well as Ernie Batten, Don Maund, Doug Nazzari and Bob Dick, who incidentally played his first game with us for the season.

Saw Tommy Screigh nursing his arm at one time during the game but

this didn't effect his scoring. Ron Saare took some nice marks and played a great game in defence. Our congratulations also to Jimmy Washbourne on his selection to the State side.

Remember General Meeting July 2nd.

Mails

Last week we were soundly defeated by old rivals Daily News. Practically every game for years between "Dailies" and us have been hard fought games and little difference in the scores. We'll see what we can do about it for the next meeting. Many thanks to the players who keep rolling up each week. It's a pity a few more didn't have the same spirit.

The winner of the raffle was Mr. Wolf Schubert, a hairdresser in the city. Harry Chamberlain sold the ticket.

Marius Matsen the "new look" rover was leading goalkicker—it's a fact!

There are still a lot of subs. (12/6) owing. What about it chaps?

Daily News

Thanking committee and ladies for our first ladies night this season, wonderful show. The next—same place, same conditions, July 12.

Keith Bunting is playing well, but inclined to roam too much, especially down forward and does not recover. Warren Owens is still the steadiest player in Sunday League and a lot of our players could follow his lead. Lofty Bradshaw needs a little sting to make him keep up with the game and also to remind him when he's on the ball he has to be up with it and not dreaming of his darling when in the forward line. Bob Hayres did a great job in front of the sticks and don't be frightened to lead out Bob we will kick it straight enough for you. Silver More watch your head when you duck around the opposition, one of the fellows might have his knee in the way.

Players and committee, important meeting in Room 33, Trades Hall, on

Wednesday, June 26. It's for your benefit chaps.

Don't let the selectors down for the big social match, July 7, against W.A. Newspapers, at South Perth Oval. They've really got a team and are determined to beat us.

Leederville

Last Sunday we we're given an exhibition of football. Congrats. to Osborne Park. Leedy, we can do much better, providing you are there by 2.15, so that you will have a balanced side before going on the ground. Today you meet Sandovers, so a whole-hearted effort. Saw Max Barrett coming into his own, also a good game by our centre half-forward. Our new ruckman, Mick Prendergast turned on a good game. After the game I didn't see any long faces. That's the spirit players.

Metropolitan

Last week's game against Helenics' certainly kept the large crowd on its toes and no one could have asked for a closer result. It seemed we had the game won at half time when we held a 7 goal lead, but our chaps tired badly in the second half and this allowed Hellenics to exploit the speed for which they are known.

Two things stood out in this game that must be remedied for the future and they are:—

1. Experienced umpires must be appointed for these big games and not lads who are in their first year of umpiring.

2. Hellenics supporters must be stopped from crowding onto the playing arena, on many occasions the crowd was at least 15 feet inside the boundary lines.

We suffered a number of injuries on Sunday but apart from Norm Henson (who was taken to hospital with a suspected broken ankle) all players should be fit for today's game.

Railways

We were again defeated by a better team in Cardinals. Standard of play was low on both sides throughout. Our third quarter rally was a match winning one—but losing Gill at ¾ time ruined the drive from the half forward line. Maybe we will

come good against Scarborough today.

We wish our new player in Mathews an early recovery from his injury.

All players and supporters are urged to help the Secretary by prompt attention to raffle butts—please return by June 27.

Rockingham

The team is definitely on the improve, their showing against Postals proved this. Most of our players have taken the advice of coach Les Bancroft to have more extra hard training—what about some of the others following the example.

Graham Burkett turned on a good game at half-back on Sunday and earned the club trophy. Also, an excellent game was delivered by centre man James which proves what condition will do. Nice going Bill, keep it up. Veteran Norm Snow again held out the attack with a serviceable game. This evergreen is beginning to find the pace too hot for his old pins. Setting a good example for young players, Norm.

Our players tea and social nights are proving a great success, but require more after the dance from the players.

Players and officials are pleased that Billy Stock's wrist was not fractured and he is again available for selection.

Cardinals

Although we won last Sunday it was not a very impressive victory. If Railways kicking had been more accurate, the issue would have been very doubtful. The only reason for this lapse is that not enough attention is paid to the coach. On the training field and during a game the coach's job is to advise and direct the play. More attention should be paid, and more of our players should attend training on Wednesday and Friday nights. Come on Cardinals let's get out of this rut, and get back to the team we were last year. Greater enthusiasm pays greater dividends.

We welcome all new players to our ranks and wish them a happy football season, and we look forward to seeing you all at our dances and shows.

Our next dance will be on Friday, June 22, in the club rooms, 221 Fitzgerald Street, West Perth.

Scarborough

After last Sunday's game its no wonder Coach Annesley and most of our supporters had heart trouble. Have never seen a happier look on Bob's face than when Ivan Caporn kicked the winning goal right on the bell.

Saw ex-President Alan Shaw on the sidelines. We are all pleased to see him fit and well after his spell in hospital and welcome him back to the active supporters list.

Another good time was had by all at our monthly dance and congratulations must go to the committee for a well organised, happy show. A special word of praise also for the women who helped out with supper and the men who put in their time until 4 a.m. cleaning up the hall.

A big boost to supporters is Len Harman's return to form. Played a faultless game at centre and should provide the drive that has been lacking in previous games.

Was very pleased to see Duggan Anderson in our lineup. Played a very useful game first up and once in condition should give the opposition some headaches.

Postals

Congratulations to Rockie on a greatly improved performance—very nearly turned the tables on us. Perhaps you'd better send a few more of your boys down to train with us in preparation for our next encounter.

Too many easy games left us floundering when the pressure was on and from this aspect we must benefit from Sunday's match.

Graeme Whitehorn suffering from the flu had to stand down and Sec. Peter McGillivray re-appeared on the half-back flank after being out with a broken finger—the back line could not complain about lack of activity up that way in this match and should be rather busy again today—a bit more backing up would go well.

To all players and supporters don't forget a good roll up at any and all functions arranged by this club is essential if the club is to continue to grow as it must do to compete with other teams in this rapidly improving

Sunday League—support these monthly dances and thereby help your club.

Training no doubt will be a lot tougher after last Sunday's effort although teamwork seems to be the main necessity with us now.

Lucky numbers last week were 3 and 119—watch for them this week.

P.S.—This is one team who would sooner see the "Review" revert to its style of earlier presentations this season—that is the style Editor Jack Cooper introduced this season. Makes it a much more readable and more widely read edition and consequently much easier to sell. Keep up the good work.

Osborne Park

On an ideal football day, the boys continued their winning run and demonstrated the value of straight footpassing. Guido Leuzzi, from 26 kicks during the match, found a lone team mate on 18 occasions; that's the stuff that wins matches.

Two beautiful marks, one by Eddie Garnett and one by Cliff Wemm, were worth going a long way to see.

A good feature of the games is the ever growing crowd of supporters. Half the ground (neutral) on Sunday was lined with cars, door to door.

Do not forget the free picture show on Friday, June 28. The club thanks the sponsors, T.A.A., who have kindly invited members, players, the wives and offsprings to what promises to be a very interesting night.

It is rumoured that Fred Dans handed back a bag or two of chaff that was given him after the 2nd match.

Players are asked to concentrate on ticket selling during the next week or two.

Maylands

We had an even tussle with Sandovers last Sunday, but just couldn't bridge the scores after they got away in the second quarter.

We badly missed Eddie Pass, who was on duty, and it is possible he might have made the difference.

Bruce Turner's young brother did a good job for the side, he has real ability.

Brian Walker's wife has had a son. We wish them all the very best of luck.

We are sorry to report that Des Bennett received a broken jaw during the game last week. He has all his teeth wired and really looks a picture.

Don't forget your membership fees—they are over-due.

Sandovers

Congratulations fellows. Our second win was full of merit and we must say bad luck Maylands—they put up a great performance.

Our social night for injured players was a huge success and many thanks to the Leederville members who attended. Our Secretary was so overwhelmed by their attendance that he "taxied" their Secretary home. Many thanks again.

We welcome several new players this week in George Turner, Steve Serepsos and Terry Engledon.

Good to see John Doherty back in harness—played a fair game first up.

Don't forget those subs, also see your Secretary about the trip that's coming off shortly.
